

# CASINO MINE RANCH

## 2023 FLICKA - 100% GRECO

A different kind of gold in the hills. Named for Simone's German Shepherd, Flicka is our fourth vintage of this ancient Southern Italian varietal, originally from Campania and believed to have arrived with Greek colonists nearly 3,000 years ago.

Gently whole-cluster pressed and fermented in stainless steel, this wine shines bright and alive. Brilliant citrine in the glass, it opens with fresh lemon, white nectarine, and peach, layered with hints of wet stone and sea mist. The palate is tangy and focused, bursting with citrus zest, subtle tropical notes, and bracing acidity, finishing clean and mineral-driven.

Gold Medal & Best in Class – Foothill Wine Competition

## VINTAGE NOTES

The 2023 growing season delivered balanced ripening and vivid acidity, allowing Greco's natural intensity and aromatic lift to shine.

## WINEMAKING

Night-harvested and gently whole-cluster pressed, cold settled, and fermented in stainless steel barrels with minimal lees stirring. Bottled early to retain purity, tension, and lift.

## FOOD PAIRING

Perfect with grilled trout, crudo, citrus-dressed salads, or herb-roasted chicken. Made for warm afternoons and long summer tables.
